Ref Correspondence resting with your letter No L 14621 dated 9-2-1954

In your letter No 7083 dated 16th September 1953, you have stated that the telephone to the municipal farm is not an absolute necessity and hence the proposal was not acceptable to Government and in your letter of 9-2-1954, it has again been stated that the governmrnment see no reason to modify the decision But the Municipal Council feel that a small expenditure of this kind is well worth it In my letters Nos CR 470/53-54 dated 13-8-1953 and 10-11-1953, I have made mention of the fact that the work of the farm is increasing and that great difficulty is felt in the matter of contacting the municipal Farm Manager and the staff when needed in the absence of a telephone For these reasons the council have at their adjourned meeting held on 6-7-1955 approved of the recommendation of the Managing Committee for providing a telephone to the Farm for a period of one year in the first instance the rental being Rs 303 I herewith enclose a copy of the resolution of the council and request that orders

of government may kindly be obtained for the installation of a telephone for one year
